President's Corner

OK let's talk about what it takes to make this club work. One big word comes to mind VOLUNTEERS!!! That is what makes this club work. Everyone on the board of directors, trainers, equipment setup and take down, equipment repairs, water trailer, bird pickups, bird planters, judges, registration, newsletter publisher, banquet, donations, working with property owners, getting new members, sportsman show, demos and much more. By now you get the idea. Volunteers spend their time making sure these tasks are taken care of and promote the efficient running of Green Valley HRC. Volunteers don't get paid for what they do, sometimes they get recognized for what they do, most times not. Recognition is not what drives the volunteer, its the passion we have for our dogs and the camaraderie of people with the same interests. We do it for the benefit of all the members of our club. I am not going to name names, because I don't want to miss someone and there are a lot of people that volunteer their time for this club. A MIGHTY BIG THANK YOU TO ALL THE VOLUNTEERS for all you do for Green Valley Hunting & Retriever Club.

GVHRC BOARD NOTES FOR AUGUST

Members in attendance August 08, 2018

John Connell, Justin Weaver, Linda Galetti, Dave Carey, Steve Ackers, Vickey Guess, Mindy Shank, Josh Jolicoeur, Jim Wiota, Betty Pellham, and Steve Arms.

Meeting called to order at 6.00 pm.

Secretary Report- Nothing to report.

Treasurer Report- Justin gave a very detailed treasurer report.

Event Recap- 10-Singles: Thirteen retrieves entered. One dog completed the 10 Singles. Four dogs made it to the final. Fourteen pointers entered. Pointer side went well. Possibly pay a bird planter for next year's event? Place-ments will be posted in the newsletter.

Leftover Birds- We currently have twenty birds for sale at \$10.00 at bird. Mindy will send out an email to the club members letting them know we have left over birds for sale.

Birds- Mindy made contact with a bird supplier for next year.

Facebook- Still learning the system but it is up and running.

Team shoot- Queener Ridge's name was brought up to have next year's team shoot. A possible Family Fun Shoot in the same month is also being considered.

Swag- Dave and Josh are still working with contacts on prices for shirts and hats.

Awards- Josh got with Steel and Stone and they were able to meet our budget for this year's awards. The board voted and it passed to have Steel and Stone make our awards.

Banquet- Vickey confirmed that we have the Elk's Lodge in Eugene reserved for our next banquet (Jan. 26, 2019). Several caterers were brought up. Vickey will contact some of the caterers and see if they can meet our budget price. Vickey also asked to have members contact her via email (viva.pnw@gmail.com) if they are interested in helping out with the banquet this year.

Donation Committee- We are looking for volunteers to form a donation committee to help solicit donations for the January banquet. Many vendors need to be contacted months in advance so work on this needs to begin soon. Vickey is the contact person for this as well.

Shotgun Care- The club shotguns need to be cleaned and one may need reset?

Intermediate Training- A committee was formed. Next year sounds like we may possibly be doing more bird work?

Outstanding in the Field Award- Members need to get their submissions in to Dave Carey. Your submissions should be from August 31, 2017 to August 31, 2018. To qualify, the member and their dog should have accomplishments outside of the club events like hunt tests, field trials, etc.

Above and Beyond Award- This award is for members who have gone above and beyond to promote the club. Submissions can be made to Dave Carey.

Our next board meeting will be sometime in October.

Meeting adjourned 7:40 pm.

Brags and Wags

Congratulations to Todd Wheeler and Cora pictured on the left who put up NAVHDA NA 112 I at the Willamette Valley Chapter May 5 in Monmouth, Oregon.

Todd Wheeler pictured above is super proud of Amber on August 10, for passing the NAVHDA Utility Test with a score of 192 Prize III at the Willamette Valley NAVHDA Chapter in Monmouth. Three years of hard work is starting to pay off! If not for an unforeseen strange hiccup with the duck retriever she could have had a Prize I. We'll definitely be back to try again!

Pictured above are Jim Wiota and Miss M. a Peel and her WDX certificate and Ribbon that she earned July 23-24 at Queener Ridge. For WDX, the dogs must be steady to wing, shot, and fall for two bird contacts (pheasants and chukar) -- retrieve with soft mouth and do water retrieves while being steady at the line. She did it all with class!

More Brags and Wags

Rocky Caniano and Ella May pictured on the left earned two passes and a AKC SHR title August 11th and 12th. Ella May is the fourth recorded title holder by a GSP in SHR. Team Caniano plans to start working on pointer hunt test/field for next year or be the first GSP to get a MHR title.

Brian Deno and Jet pictured on the right earned three passes in senior at the German Shorthaired Pointer club of Washington's double-double hunt test to finish out there senior career with a senior title. Team Deno has been working really hard to accomplish this goal!

Pictured to the left is Ben, Duke, and Cowboy each earning a water test award from the German Shorthaired Point Club of Oregon. Something nice to add the there achievements list.

Ben, Duke, and Cowboy later that day ran a second type of water test each earning a NRD title through the German Shorthaired Pointer of America.

New Members In the Spotlight

Meet one of our new members this year, Russ Dickson. He learned about GVHRC from a friend at his place of work though retired now since January. He has owned other breeds in the past but choose to select a Wirehaired Pointing Griffon that came from a breeder in Twin Falls, Idaho. Russ wanted something a little different than the other breeds he has had in the past, and with six grandkids, he wanted a companion and family dog. Russ says Blanche has been fairly easy to train and is very birdy! Russ and Blanche are looking forward to the years ahead spending many hours out in the field hunting chukar and quail. Russ joined GVHRC hoping to learn how to side-step the mistakes that he would make on his own. While not at this time, is Team Dickson looking to get into the completion side of dog training. He wants a dog that is fun to hunt over, well-mannered around the house, and gets along with other people. GVHRC also gives Russ and Blanche a chance to get to know other people in the club and interact with other dogs. Team Dickson says everyone has been more than helpful, and he really likes being invited to go along with other members of the club to train outside of the regular monthly events. Club members have been very helpful in answering Russ's questions and giving advice. So next time you see Russ and Blanche, be sure to say hello.
