**Brace Rule Change:**

**When you reach the line for your brace you must declare to the Judge & Gunner if you are following AKC (Senior/Master), NSTRA rules or if not competing, who will be flushing the bird, gunner or handler.**

AKC: Please familiarize yourself with AKC standards if you plan on doing hunt tests as your GVHRC gunner may be a NSTRA person. I have attached a few notes that apply to AKC that were provided for clarification.

**Senior Dogs:**

Handler flushes the bird and can handle on a back. Gunner may NOT help, cautioned stop to flush on wild flush.

**Master Dogs:**

No handling of the dog on back or point dog must be study to wing, shot and fall. Handler flushes the bird. Gunner may not help. Stop to a wild flush.

**Gunner:**

Gunner is to be positioned by handler and return to behind the handler after shot.

**Both Stakes:**

In either Senior or Master the handler must have a blank gun to be fired on Safety's.

If you have any doubt or questions be sure to ask at the morning safety meeting before competition starts.

## Intermediate Pointer Training

This training level will NOT be a competition event but will offer individualized attention according to your dog's training level. This area will be for dogs that have completed the puppy division and know their Come, Whoa, Place, and Heel but are not yet ready to run in braces or if you are new, placement would be determined by club trainers. The emphasis will be on holding point until the bird is flushed, backing another dogs point, and retrieving to hand. For those who would like to train to a higher level, steadiness to wing, shot, and fall can be addressed.

Steve Arms will be providing this instruction. His email is [jarms007@aol.com](mailto:jarms007@aol.com).

## BRAGS AND WINS!

**Former member Todd Wheeler sent a note thanking the club for their help and support after receiving a NAVDA Prize 1 in natural ability with his GSP puppy getting a score of 112 (the maximum available)  
Great Job !**

**Congratulations to Crystal Laing and Smoke for placing third in the WWC walking amateur puppy on June 26<sup>th</sup>.**

Let me know if you are competing outside the club and how you did or any other club member you know about so

## Electronic Collar Usage

As a training club electronic collars will be allowed. If you choose to use an electronic collar 5 points will be deducted from your total score at the end of the day. Improper or abusive use will be addressed on a case-by-case basis as determined by the board. If you are new to electronic collars, instruction will be provided on proper use.

## NOTICE FOR THE LADY SHOOTERS

Stop apologizing to the dog because you can't hit the bird.

The PINK TEAM is inviting the ladies who would like to shoot with other female shooters to join us. We hold a monthly Sunday morning practice/training session on a private shooting range that culminates in a group lunch outing. Ladies learn about gun safety and how to improve shotgunning techniques.

Join us and learn in a fun and supportive environment. Our instructor is a hunter education instructor, an NRA Certified Range Officer, and an accomplished shooter herself. If you have an interest, send an email to, [bjpellham@aol.com](mailto:bjpellham@aol.com) or call Betty Pelham at 541-929-8493 or 541-609-8430. Be sure to put Ladies Day in the Subject Line. See you on the range.

### *Gun Safety Club Policy*

Any member, who is found to be handling a gun in an unsafe manner, or shooting into a safety zone, will be immediately disqualified from competition and will lose their gunning privileges for any other club events.

**No live gun ammunition is permitted after club events.**

Once revoked, gunning privileges may be reinstated

- 1) After the member provides the Board with proof of completion of an approved Hunter Safety Course
- 2) At the Board's discretion.

**ANYONE WHO WANTS TO GUN OR BE A GUNNER FOR SOMEONE ELSE MUST HAVE A VALID HUNTING LICENSE.**
